- I. Offline Courses:** Foundation Course for each of the Standard 5th to 10th and 11th- Science
- II. Online Courses:**
 - i. Foundation Course for each of the Standard 5th to 10th
 - ii. Short Term Courses:
 - a. **Pre-RMO Junior:** for the students in Std. 8th and Std. 9th
 - b. **Pre-RMO Senior:** for the students in Std. 9th or 10th, who attended last year's PRMO course
 - c. **HBYSSE-6:** for the students in Std. 6th

1. Admission Process for Foundation Course

Admission for FC-5 is Open and based on 'First come First serve'

Admission for any of the courses from FC-6 to FC-10, one has to attend the Online-orientation.

About the Online-orientation:

From 2020, BBA started conducting an Online-orientation for the students (going to any of the Standards from 6th to 10th from next academic year) to guide those students who wish to join our Academy.

In this Orientation BBA faculties interact with the aspirants and guide for such topics which were taught here during the previous academic year and essential for the next standards. This will benefit all the aspirants to be acquainted with new concepts, so that they will have a comfort to continue the year-long Foundation Course from June.

Online-Orientation will be during the period of 15th April to 12th May (consider some tolerance).

Details of Online-Orientation

Days: 15th April to 12th May

Timings:

for 6th going 4pm to 5:30pm

for 7th going 4pm to 5:30pm

for 8th going 4pm to 7:30pm

for 9th going 6pm to 8pm

for 10th going 6pm to 8pm

Online platform: Zoom (if you are not registered to Zoom, then you should complete the registration before 14th April)

Required things: Data pack (nearly 2GB/day, now a days it's common but even if suggested), Notebook, Compass box etc

Steps to follow for completing the Admission:

1. Enroll the name of the aspirant student for the Online-orientation by filling in the form (Online/in person). Submit the completely filled form along with Rs. 3000 per student (online/in person).
2. **Last date for Application: 12th April.**
3. The fees for Online-orientation is non-refundable, and will be compensated in the total fees at the time of admission.
4. Attend the full Online-orientation (**its recording will not necessarily be available, so don't miss to attend**). Being Online, you can attend from any convenient place.
5. **From 9th May to 12th May, willing students have to complete the Admission by filling in the Admission Form and depositing the remaining fess = Total Fees – Rs. 3000**
